

NAG Library Chapter Contents**X01 – Mathematical Constants**

X01 Chapter Introduction – a description of the Chapter and an overview of the algorithms available

| Routine Name | Mark of Introduction | Purpose |
|---------------------|-----------------------------|---|
| X01AAF | 5 | nagf_math_pi Provides the mathematical constant π |
| X01ABF | 5 | nagf_math_euler Provides the mathematical constant γ (Euler's constant) |
